## Submitting your Proposal

Attendees are looking for new ideas and a level of discussion to advance their combined efforts to better support their association, their members and volunteers. Attendees include Executive Members – who are individuals who work for associations (professional, trade, special interest, charity) of varying sizes and scopes (provincial, national, large, small) and Business Members who are individuals who supply services to the nonprofit sector (for example, IT providers; meeting space providers – hotels, convention centres; consultants – strategic, HR; insurance brokers; lawyers; etc).

Attendees, both executive and business, are looking to be inspired to develop new strategies and take away tools, great tips, and sources for continued support.

Sessions should explore at least one of the competency areas for association executives. Please review the [CSAE Competencies for Association Executives](#) for more detail.

### **Speaker Qualifications**

- The network is looking for sessions suitable to the non-profit sector. The mix matters and the collective diversity among our speakers is one of the great strengths that CSAE Trillium strives to offer.
- Presentations cannot be sales demonstrations or pitches.
- CSAE welcomes proposals from association executives, suppliers, consultants, and professional speakers. Please note that CSAE does not pay any concurrent speaker for participation.
- It is not essential that you have previous speaking experience but a desire to share your insights and ideas in a clear and engaging way. Demonstrating how you will engage the audience and invite interaction will be highly valued.
- Presentations must fit within at least one of the [CSAE Competencies for Association Executives](#).
- *Please note: Wherever possible, workshop sessions should be interactive and allow for delegates to work in small groups.*

### **Sessions Schedule**

There will be 16-20 concurrent sessions over the two and a half days of the Summit. The sessions vary in length (45 minutes or 60 minutes). We are seeking speakers for concurrent sessions.

### **Selection Process**

We ask that you submit your proposal by end of business day **April 4, 2023**. Each submission will initially be reviewed by a team of volunteers. Speaker selections will be made in May 2023.

### **Remuneration**

There is no fee payable by CSAE for this engagement. However, CSAE may cover up to a two-night stay at the host venue, a complimentary registration for the conference and a travel allowance in some cases.

### **Speaker Expectations**

Please note that all accepted speaker(s) are expected to agree to all of the following terms:

- Meet all posted dates and deadlines.
